MONTEREY DELUXE TREMOLO SUSTAINER

You also asked for them, guess what, here they are.
The Monterey and Ravelle Deluxe Tremolo, already had a Locking Trem, now available with the patented Fernandes Sustainer System for more sonic options. These are the first Deluxe models with Sustainer ever. Same flawless craftsmanship, specs and finishes as the Deluxe Tremolo models introduced in 2008, only difference is Sustainer System replaces the EMG 60, firing up the legendary active EMG 81 with the power of endless sound and controlled feedback with the flick of a switch.
